Book Department

A Splendid Chance to Buy Fine Book Sets.

Part of a Publisher's Stock bought at a sacrifice. We contracted for a very large quantity of them, which we thought would last us well over the holiday season, but at the rate at which they are going our stock of some of the sets will be exhausted in a day or two. Well printed, on good book paper, from large type, are well illustrated, and are bound in fine cloth. If you are looking for good, sensible, substantial Christmas gifts, it would be difficult to find anything better in the book line; if your own library lacks any of these standard

sets, here is your chance to fill the vacancies at about half price.
